

NEWS RELEASE – FOR IMMEDIATE RELEASE

Universal Load Banks Opens Sales Office in the Middle East

To grow our international market reach, **Vision Gulf General Trading of Dubai, UAE** has been appointed as exclusive distributor for Universal Load Banks in the Middle East including United Arab Emirates, Saudi Arabia, Oman, Kuwait, Bahrain, Yemen, Qatar, Pakistan, Afghanistan, Egypt, Iraq, Jordan, and Lebanon.

For over 45 years, **Universal Load Banks and Testek** of Wixom, Michigan, USA have been designing and building custom test equipment for the Aerospace, Airlines, Aircraft Maintenance Facilities, Military, Industrial, Agricultural, Automotive and Nautical industries. With Testek's long history in load banks for the Aerospace industry and Universal Load Banks expertise with industrial load banks, it was a natural progression for us to develop a complete line of load banks for the power generation market. Our vast experience in design, engineering, manufacturing, and support along with our focus on meeting the needs of technological advancements has earned us a strong reputation as an industry leader. We believe that our exceptional performance is based on our commitment to long-term client relationships and providing best-in-class equipment at a competitive price.

Vision Gulf Trading has more than 25 years of experience as the leading power test solutions provider in the region. VGT has an unwavering commitment and dedication to bring unmatched quality products and excellent service. As the exclusive distributor for Universal Load Banks, you can rest assured that our products offer exceptional quality, are cost-effective, and are built to last. VGT also offers our clients exceptional factory support and service for the entire load bank product line, before and after the sale.
